ABOUT THE VINEYARD

The Coombe Yarra Valley vineyards are located in the heart of the Yarra Valley. Just 5km north of the Melba Estate, the 120-acre vineyard is one of the oldest in the valley and is still owned and operated by Melba's descendants—the Vestey family.

The vineyard is well suited to grow premium, cool climate grapes. Chardonnay, Pinot noir, Cabernet, Shiraz and Pinot Gris grow in carefully considered locations across the vineyard and each block is specifically selected for Coombe Yarra Valley Wines and to supply several Australia's most recognised producers.

In addition to our Estate and Tribute ranges, a selection of local producers that represent the different styles and varieties of the area can now be enjoyed in our restaurant. Be sure to visit our Cellar Door to taste and purchase a wider range of Coombe Yarra Valley wines or ask our staff for directions to visit some of the winemakers that are now featured on our wine list.
